

1.- Do you feel physically in good condition to play the next World Cup?
Sure, I am plenty of energy and in a very good physical condition, I think I will demonstrate it in the first game.

2.- Do you think you will score many goals?

First of all, I want to help the team it doesn't matter who scores, if I have the chance I will be very glad.

3.- Will Mexico win this time the championship?

In my opinion it is difficult, but not impossible, all my partners and the coach are very excited and we are waiting for the first game with much anxiety.

4.- Is this your last World Cup?

Honestly, I find difficult to accept it but I am 36 years old and I know that the end of my career is coming soon but before retiring I expect to do some things.

5.- What are the things you want to do before retiring?

My first wish is to play with America my last tournament and the second is to become champion in my last game with America.

1.- After almost four years of being president of Mexico are you satisfied with the results of your government?

It has been rewarding to work for all Mexican people, though it has been complicated because of the growth of crime and violence, I am satisfied because I have given the best of myself to make things work.

2.- Do you think you will win the fight against crime and violence?

Of course, I am confident that we are going to win this fight because we have jailed many criminals, what we need is people denounce all crimes they suffer and we want they trust in the effectiveness of the police.

3.-What do you usually do in your free time?

I love spending time with my family, when we have the chance we go to the ranch or sometimes we go to the beach, the most important thing is to be together as a family.

4.- What kind of things are you doing after you finish your government?

I think I am taking a long tour around the world with my wife, and then I will probably write a book, but I definitely I want to become a teacher in a University.

5.- Have you thought in going back to politics after you finish your period as president?

Yes I have, but I won't be interested in taking part in politics anymore I guess.
